## John Allpress

### John Allpress

*Rogers Assistant House Master  
Moth Teacher, Rugby & Rowing Coach,  
Rogers House Master, Mathematics Head,  
Director of Residence, Director of Admissions,  
Deputy Head of School, Director of Advancement*

John Allpress arrived at Brentwood in March, 1980. A globe-trotting Kiwi who originally came to Canada to ski, John began his Brentwood career as a Rogers Assistant House Master, math teacher, and coach of rowing and

rugby. He also led ski tours to New Zealand, rowing and rugby tours to Great Britain, France, Spain and Australia and began the school's annual Winter midterm ski trip to Silver Star Mountain in Vernon, BC. John went on to serve as Rogers House Master, Head of Mathematics, Director of Residence, Director of Admissions, and most recently Deputy Head of School and Director of Advancement.

During his tenure in Advancement, the school has enjoyed unprecedented growth. John constantly reminds us it is our donors who have transformed the Brentwood campus: the Maeda Health Centre, the Bunch Centre, Crooks Hall, the Centre for Art and Humanities & the Foote Athletic Centre, as well as Allard and Hope Houses. Of equal importance are those who have contributed to realizing the goal of a \$20M endowment by 2020. While the vast bulk of funds are directed to keeping Brentwood accessible to worthy students, Boat Funds for rowers, a Technical Theatre Endowment for our performing artists, a Learning Centre Endowment to offset staffing costs and, most recently, a Faculty Professional Development Fund have all materialized under John's leadership.

In whatever role he found himself, John has been an unfailingly committed, energetic, positive, selfless and principled servant of our school community.

John is a true Brentonian. When comes such another?

# Yearbook Team

Since September we yearbookers have hustled & bustled to record thousands of bits & pieces of the Brentwood experience, not only the grit & joy, but also the laughter, connection & embarrassment we share with each other on a daily basis.

Mr Ganley, Yearbook Editor, leads the Yearbook team; he continues to build an enjoyable, assiduous environment with his dedication & dry sense of humor.

This year, we incorporated fresh talent: Linnea Brickwood, Daniel Muller, Hala Manai & Brayden Glazier were rookies, but with persistent guidance from our veterans, they have become the house editors of Allard, Ellis, Hope & Rogers. Megan Adams, Haden Umdenstock & Alex Toporowski contributed to the yearbook by taking, collecting & captioning photos. Luis Mangubat used his skills & experience to ensure that events were covered. Editors Virginia Waddell & Sydney Cristall ensured that the captions behind each photo were accurate & playful. Layout editors Glory Chima & I were the final stage of quality control in our pursuit of perfection. Let's hope we got it right.

We worked to achieve 300 pages of perfection as a gift to the Brentwood family, & our incentive was that many years from now, this book will inspire a myriad of happy memories of our time together.

Sincerely,  
**Vivian Fang**, Hope '18, *Yearbook Captain*

I would like to add thank yous to Vivian's. First, to the team that she has mentioned & particularly to the "Fantastic Four" of Vivian, Virginia, Megan & Glory whose leadership & exemplary efforts did so much to enhance this publication. Thanks also to Paul Fletcher, Mike Minckler, Kelly Gagné & Ian McPherson for their expert contributions. We all hope that you enjoy this book for years to come. If it jogs a happy memory & brings a smile to your face, hug a yearbooker. If not, the fault is mine &, as Puck reflects, "If we shadows have offended, / Think but this, & all is mended / Give me your hands, if we be friends, / & Robin shall restore amends."

**Jim Ganley**, *Yearbook Editor*

# Fall Athletics

# First 11 Field Hockey

**(back row)** Antara Patel, Jemma O'Malley, Megan Kruger, Rebecca Sanders (Co-Captain) & Madeleine Butler **(middle row)** Ms Doman, Brylee Martin, Nadia Kendall, Haley Hockin, Keeva O'Brien & Mrs Martin **(front row)** Lindsay Winship, Georgia Guthrie, Chantal Pavlis, Sofia Galban Patterson & Sarah Richards **(absent)** Kayla Butcher (Co-Captain), Allulah-Beth Collins & Maya Jenner.

With a young team primarily of 10s & 11s, the 1st XI welcomed a new coach: old Brentonian Denesha Doman Captained Brentwood & played for Queen's. She brought an exciting new perspective to the pitch, with new drills, skills & plays. We began by hosting the Friendship Cup where we played a team from Ontario, GNS & SMUS; the season looked promising as we finished in 2nd. Unable to compete in the ISAs, we played exhibition games and focused on improving our stick work & fitness. While running laps is not the most fun, the team benefitted as we were better prepared for Islands & Provincials where we played two games/day.

Hosted by GNS, the Islands were on a rubber-based turf. This challenged us. Tough lessons were learned: sport is not always fair. Though we outplayed GNS in the opener, we could not put the ball in the net & lost a heartbreaker 1-0. We regrouped & played a talented SMUS, but a loss sent us to the Provincials as Island #3. We then came back early from midterm to train & travel to Surrey ready for six games over three days against top teams.

BCs began against GNS. Not wanting a repeat of the loss at the Islands, we came out with a 3-0 win. A win against Southridge placed us second in our pool & in the championship flight. One of our most memorable games was against #1 ranked Crofton; we played hard & performed brilliantly. Our final game was against SMUS & we saved our best for last as we fought for every inch of the field & every ball. Despite taking the loss, the team justifiably finished with heads held high, proud of themselves & their teammates. The four Grades 12s finished their high school career knowing they did all they could to lead the team & prepare them for next year. While we might have started out as a group of strangers, through practices, games, & time together, the 1st XI ended as a close group of friends.

**Kayla Butcher & Rebecca Sanders, Co-Captains**

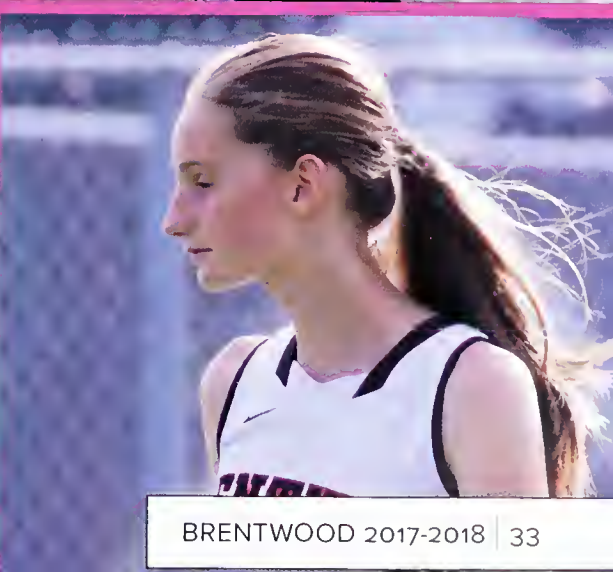

*Coch's Note: Congratulations to Sofia Galban Patterson & Antara Patel for receiving the Hall Mackenzie Award for service and contribution to the program, & to Kayla & Rebecca for receiving the Grimes Award for inspirational leadership.*

## Sticking Together

*(top row)* Co-Captain Kayla Butcher has her game face on; Chantal Pavlis is ready to save every shot; Georgia Guthrie & Haley Hockin sprint towards the net *(next row)* Antara Patel; Co-Captain Rebecca Sanders *(third row)* Gemma O'Malley gets the ball out of the defense; Haley Hockin *(bottom row)* Allulahbeth Collins has her eyes glued to the game; Sofia Alban Patterson is ready to jump into action; Sarah Chards.

# Second 11 Field Hockey

*(back row)* Emma Mandziuk, Tessa Warhurst, Cate Cochrane, Leah Andegeorgs, Lucila Gonzalez Frias & Mazie MacCosham *(middle row)* Mrs Whitney, Rachel Walsh, Marquita Zollman, Lorenza Unthoff Noriega, Hannah Vincent, Sarah Gillies, Sarah LaBonte, Tiffany Toward & Grace Paton *(front row)* Chaya Napier, Oli May Bartsch, Sloane Jesse & Piper Warhurst.

The year began with a group of 16 girls assembled on the Cowichan turf, a mix of veterans & novices, seniors & juniors. Practices started with a refresher of basic skills as our coaches assessed the abilities & strengths of the new team: it was clear that we had amazing potential. In just a few short months & some fluidity of players moving amongst the A & B teams, we went from a novice group of girls to a team which fiercely dominated other Island teams, making up in grit what we lacked in skill.

With only two practices under our belt, we dove into the Friendship Cup. While the team did not come back with stellar results, it allowed our coaches the chance to see who played well in what position. We also set term-long goals for the team. Coaches Sue Whitney & Jenna Warner were particularly impressed with our goalie Oli May Bartsch, who, although new to the sport, showed incredible skill & determination.

At Shawnigan we faced one of their teams, as well as SMUS & Collingwood. These teams forced us to work cohesively & ultimately become much

closer. We soon settled into positions as we began to understand our job & the rules. Mazie MacCosham scored goals for us in each of our games, with Hannah Vincent on the forward line & Grace Paton at midfield helping to keep the forward line strong & the score tipped in our favour.

With the help of some of the 1st XI, the junior girls played at Junior ISAs where they came out with an impressive 5th place. Our final tournament was in Nanaimo where we played an exhausting four games. We faced teams that had defeated us previously; this time the gap narrowed & we were unlucky not to place in the final four.

None of the accomplishments of this team could have happened without the continued support of Coaches Whitney & Warner. Thanks to both these coaches & the girls on the team for committing to the commute to Duncan each practice, as well the inspiring sportsmanship & teamwork both on & off the field.

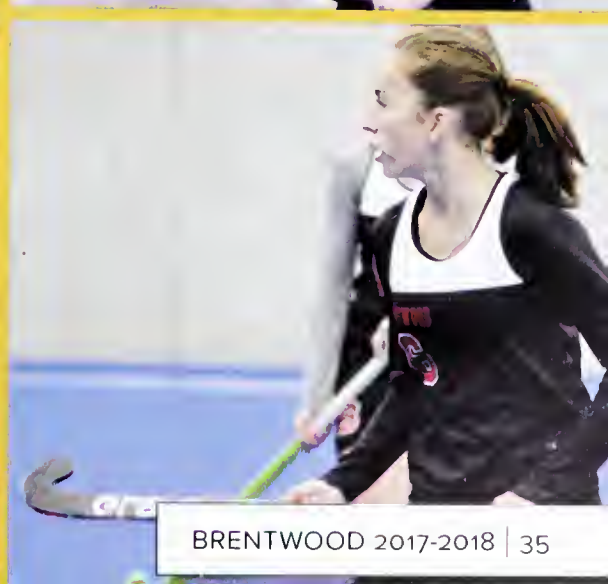

**Marquita Zollmann, Captain, 2nd XI**

## Whitney's Wonders

(top row) Leah Andegeorgs races up the field; Mazie MacCosham analyzes every play (next row) Lorenza Uhthoff Noriega; Piper Warhurst is ready to receive the ball; Lucila Gonzalez Frias keeps her eyes open (third row) Emma Mandziuk; Rachel Walsh (bottom row) Chaya Napier is ready for anything; Oli May Bartsch runs out for a save; Grace Paton.

# Development Field Hockey

*(back row)* Solveig Curtis, Zoe McDougall, Natalie Broomfield, Aiysha Manai & Ms Harrison *(front row)* Aranza Sanchez Gallegos, Phoebe Habkirk, Sloane Jesse, Juliette Traweek, Jessica Pawlovich (absent) Slava Chan, Hala Manai & Rio Wakura.

The Development Field Hockey team had a very productive and exciting season. Many of the girls who played on this squad had very little to no field hockey experience at the beginning of the term. Over the course of the season, they worked very hard to improve their basic skills, as well as their tactical play on the pitch during competitions, and showed great improvement. On numerous occasions, they travelled to the water-based turf in Duncan where they had the opportunity to showcase the skills that they worked hard to develop on the Brentwood grass fields.

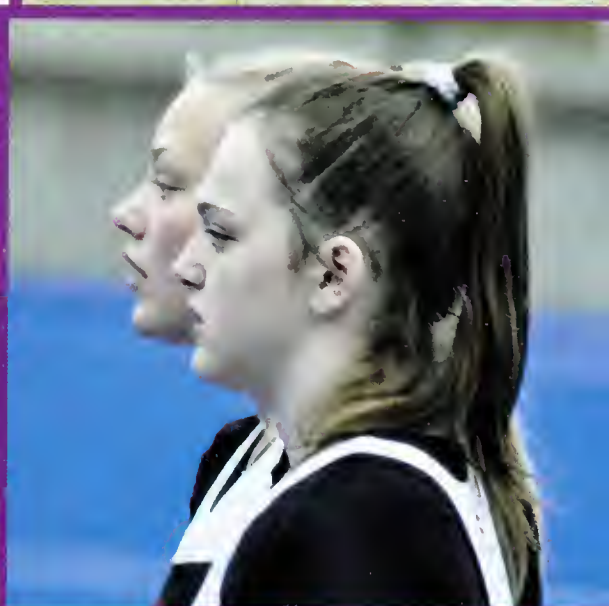

The team played a number of games throughout the season and, with each match, bettered their skills significantly. The squad played games against different opponents from Victoria and Nanaimo and worked hard in front of the net to score

goals. Their season culminated with an eight-team tournament in Nanaimo against squads from all of Vancouver Island. The girls played very well at this tournament and were able to demonstrate the gains they made since the start of the year.

The coaches would like to thank all of the girls for their tremendous attitudes this season. We immensely enjoyed working with the entire team; their industrious work ethic and bubbly personalities were refreshing. Special thanks to our Captain Natalie Broomfield and Assistant Captain Solveig Curtis for their leadership and never-ending enthusiasm. We hope to see everyone out on the pitch next year. Go Dev Reds!

**The Coaches, Mrs. Warner & Fuzzy**

# Dreaming of Defense

(top row) Aranza Sanchez Gallegos, Leah Andegeorgs, Sarah LaBonte & Hala Manai defend the net; Captain Natalie Broomfield (next row) Aiysha Manai; Phoebe Habkirk prepares for a hit; Solveig Curtis & Juliette Traweek (third row) Hala Manai; Jessica Pawlovich in action (bottom row) Slava Chan leans into her work; Zoe McDougall; Aranza Sanchez Gallegos waits for the ball in defence.

# Junior Colts Rugby

(back row) McCoy Fleming, Spencer Krywulak, Dale Foerster & Rylan Ross (middle row) Mr Smith, Gavin Van Oostrom, Nate Phillips, Tony Else, Dylan Kruger & Mr Branchflower (front row) Luc Baldwin, Jacob Zwaan, Santiago Erding & Caiden Owens.

The Grade 9 Rugby team had a season of remarkable development. We assembled in early September, looking shaky and confused. Rugby is a game with many complications; it is played a certain way, except when it isn't. Even the drills at practice demand movement foreign to most other athletes.

Our contingent was diverse. We were skinny, we were thick, we were tall, we were short. We were from all over the world. It was up to our brand new coach, Mr Branchflower, to take these disparate individuals and assemble some cohesion. He got to work. With a soft-spoken nature and affable humour, he quickly endeared himself to his players. The boys responded with attention to detail and hard work at practice.

Though our early results against more experienced opposition were lopsided, a trained eye could see potential. Ryangwon Kim was especially tenacious, and he quickly developed into an attacking weapon. Joshua Haley and Luc Baldwin developed footwork that scythed through defenders. Gavin Van Oostrom found confidence in the close exchanges and

became our best ruck cleaner, and our twin towers - Jacob Zwann and Dylan Kruger - found their mojo as the season progressed.

The boys enjoyed attacking, and did so with zeal. Joshua Haley had a commendable coast-to-coast score in Victoria, which had his teammates awestruck. But our top attacker, Tony Else, deserves special mention. He scored the majority of our tries, often scoring from deep within our own territory. His long frame meant he was more of a swerver than a stepper, but he could do so both left and right, and without losing pace. He could also employ a long straight arm to fend off the last defender. He was a weapon that any rugby coach would love to have on the field.

We became competitive. It turns out we were capable scorers, and had close games against Collingwood, losing 45-50 and with SMUS, losing 55-62. Finally, we had a good win against a Shawnigan combined team, winning comfortably. The boys should be congratulated on the improvement they made this season!

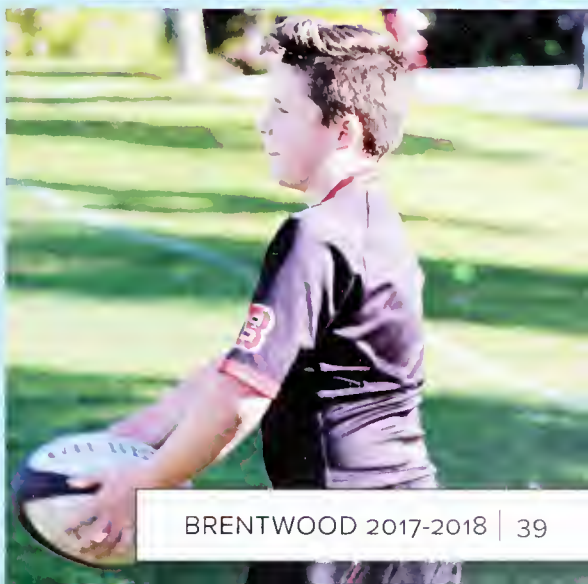

Mr. Phil Smith

## Learning the Game

(top row) The pack leans into Shawnigan; Ryangwon Kim finds his stride (next row) Dale Foerster in motion with the ball; Gavin Van Oostrom charging ahead (third row) Spencer Krywulak & Gavin Van Oostrom warm up; Santiago Erding prepares for a pass; Mr Patel motivates the boys before the big game (bottom row) Dylan Kruger; Luc Baldwin smashes through the SMUS defense; Rylan Ross braces for a lineout.

# Senior Boys Soccer

**(back row)** John Edson, Ben MacDonald, Pedro Pinson, Nicholas Mitchell, Griffin Fougner-Rukus, Ope Remi-Adelasoye, Nick Prachuabmoh & Geraldo Rola **(middle row)** Mr Barrett, Brendan Sullivan, Siôn Griffiths, Bruno Chan, Casper Poelen, Jesse Harold, Bilel Matmti, Stephen Idugboe, Caden Koontz & Lucas Ursprung **(front row)** Francis Francis-Akolo, Somtochukwu Dimanochie, Travis Robbins, Isaac Stevens, Daniel Mueller, Will Nemeth & Oliver Bontkes **(absent)** Dylan David & Marc Yoon.

Quickness, dynamism, possession, & flair are all words that can be used to describe the playing style of Senior Boys Soccer. When this group were on form, they were extremely hard to play against & very difficult to win the ball from. Some teams like to pass the ball around, others like to play it forward quickly: this team did both of these things well.

We had a very strong season. There are 20 AA senior boys soccer teams on the Island. We are in the Mid Island League, five teams. A team needs to finish in the top three in order to qualify for the North Islands.

But before I describe the AA season, let me mention that the team had some early season success finishing with a Silver medal at the ISAs. We managed to defeat West Point Grey, Collingwood & Glenlyon-Norfolk before falling to AAA St. George's.

Our boys, undefeated, finished 1st in the Mid Island. This seeded them #1 at North Islands, an eight team tournament where, in order to move on, a team must finish in the top five. The boys finished second,

advancing to the Islands. In order to qualify for the BCs in Burnaby a team must finish in the top three. Brentwood finished 3rd after beating GISS 6-1 & entered the BCs for the second straight year & only the second time in the past ten years.

The BCs is a 16 team tournament consisting of four groups of four teams. A team must win its group in order to advance to the semifinals. We had a 2-1 record (6 points) finishing second in the group. This placed the boys into the five to eight section, missing out on the top four.

Though top four at the BCs was a goal of the team this year, the boys got together & won two solid games to finish a Brentwood best 5th place. The tournament also saw some individual accomplishments with Captain Griffin Foughner-Rukus making the Commissioner's 11 & Bruno Chan winning the Golden Boot award for the most goals.

It was a real pleasure working with this talented group.

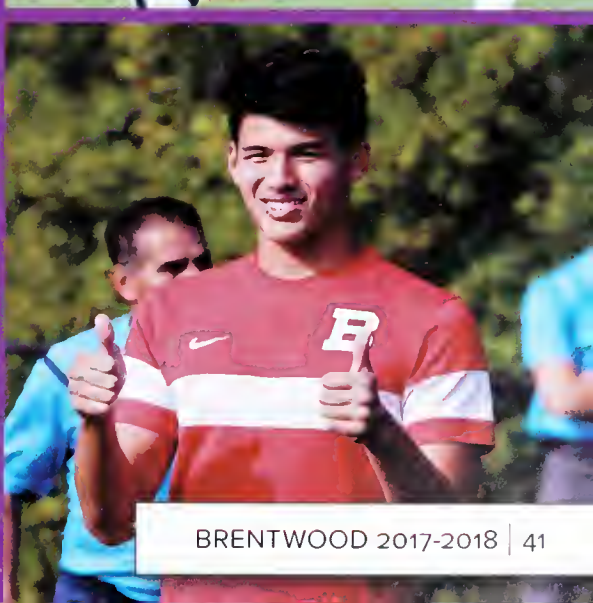

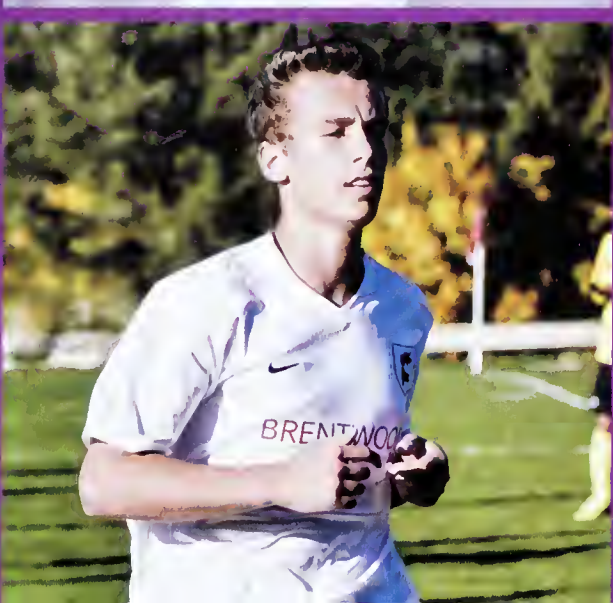

**Mr. Wes Barrett**

## A Super Season

(back row) Erik Long, Callum McAllister, William Gibbs, Logan Grande & Ankit Bakshi (middle row) Mr Collis, Olin Dahlstrom, Jack Rogers, Ben Zehner, Everett Caldwell, Sebastian Cooke, David Lee, Gus Lees & Pedro Pinson (front row) Declan Sanders, Jack Napier-Ganley, Juan Navarro Perez, Ben O'Malley & Will MacDonald (absent) Keaton Heisterman, Torren Kaiser & Josh Lavigne.

"The King of the North" cry the bannermen of Winterfell: "Jon Snow is the King of the North!" With all due respect to George R.R. Martin's Song of Ice and Fire, no one, not even the thieves and unwanted sons shuddering at the top of the wall, can truly understand the bone-numbing reality of how winter is coming until they have journeyed north from Mill Bay to the bustling metropolis of Campbell River during November midterm break. Jon Snow had to fight the white walker army of the undead, yes, but did he ever have to smell the hotel room of David Lee, Josh Lavigne, and Callum McAllister, none of whom seemed to bring more than a single pair of socks for a four game tournament? And yes, I am sure the battle cry of the Wildlings is fearsome, but for true sonic petrification, one need only listen to Juan Navarro Perez and Jack Napier-Ganley sing Queen's "Don't Stop Me Now" on the bus, a song that lasted, by my calculation, from Duncan to Comox.

Why, alert readers may ask, so many Game of Thrones allusions? Was this year's Junior Boys team embroiled by

bloodshed, incest, and mystical warging? Because, dear reader, let us look at our record. Mid-Island league? 6 wins, and 0 defeats. ISA Tournament? 4 wins, and 0 defeats. Exhibition play? 2 wins, and 0 defeats. Games at the Island Championships against North seed #1 and North seed #3? 2 wins and 0 defeats. North of Goldstream, we have as many losses as I received days in lieu for sacrificing my holiday to witness Olin eat seventeen bags of Sun Chips.

And what about our games against the south? What about our results against Reynolds soccer academy and South #1 seed Royal Bay? Alas, I am running out of available characters. I will update this entry as soon as Martin publishes The Winds of Winter, a title that may allude to Seb Cooke's indigestion after bingeing at Boston Pizza.

Mr Paul Collis

Another demanding season under the Senior Girls Volleyball team's belt left fourteen girls with experiences they will never forget and a bond that only a team can build. Throughout the term we found success and faced challenges resulting in a season that must be described as resilient.

The friendships built throughout the season made coming to practice each day something we all looked forward to, no matter the place or time, such as early morning varsity gym workouts or late night practices to get in those few extra touches. We were determined to be the best athletes we could be, and were not afraid to put in the work to achieve our goals.

The numerous tournaments the team attended were filled with triumphant wins and a few heart-breaking losses. Successful appearances at VIU and Crofton House for ISAs proved to ourselves and our opponents that we were not a team to take lightly. As our regular season came to an end, we lit a fire, starting playoffs by winning Islands and securing a berth to Provincials.

The road (or more accurately, flight) to Provincials brought the girls to the heart of British Columbia: Vanderhoof. With a somewhat rocky start, we placed third in pool play. Although it was not quite the expected outcome, the team remained in good spirits and headed into the vital crossover match against Saint Thomas Moore. This game brought out the battle in our team and our odds were looking good. Unfortunately, in a tight second set we were faced with a large setback in the form of an injury. Although emotions were running high, the team continued to play at an intense level. With a final outcome of twelfth in the province, the team headed back home, thankful for the past couple of months spent together.

I would like to thank our coach, Ms Jill Fougner, and recognize everyone who helped our team. Without them we would not have greatly improved our skills, nor have had such an amazing time together.

Linnea Brickwood, *Captain*, Allard '18

The Senior B Volleyball team came into the season with sixteen athletic girls ready to bring their A game to the court. Coming into each practice, we were ready not only to improve our skills so we could face each team head on, but to have fun as well. With the help of this year's coach, Ms Mackenzie, we saw great improvement in our skills over time, and we left the season with many cherished memories.

We didn't have too many practices before we started getting into league games. That being said, this was no hindrance on our tenacity. We fought for every ball, fighting hard until the ball hit the ground. Some of our rivals this season included Chemainus SS, Lake Cowichan, Duncan Christian, Queen Margaret's, and of course, Brentwood's long-time rivals, Shawnigan Lake School.

As the season progressed, and we learned new skills, we came home with more wins, which was a testament to all the hard work we put in at practice. The demands of the volleyball program not only allowed us to improve our skills,

but it also gave us the chance to become friends. As the season progressed, we got closer and formed new bonds, and the team bonding activities planned by our coach greatly contributed to this.

The final test for the Senior B Volleyball team was our tournament at Cowichan SS. As this was our only tournament of the season, it gave us a chance to showcase all that we had learned throughout the season. Although we came into the tournament a few players short, we still managed to pull through, winning the majority of our games.

A special thanks to Ms Mackenzie for coaching us and leading us to great success this season. With the guidance of our coach, the Senior B Girls were playing as a unit by the end of the season, and I congratulate my teammates on all of our successes.

*(back row)* Mr. Minckler, Victoria Dolgova, Kenya Bontkes, Shayna McNeill, Natasha Featherstone, Elise Whist, Asia Copp & Ms Hall  
*(front row)* Janessa Pong, Didi Olatunbosun, Abby Sullivan, Reece Fougner-Rukus, Grace McNeill & Jamie Pollard.

Junior A Volleyball in term one was full of hard work, determination, and learning opportunities. Over the course of the term, we learned a great deal from our coaches, Mr Minckler and Ms Hall, and the players around us. The team was supportive and fought hard when faced with challenges. It was a proud moment winning Mid-Islands.

Whenever an obstacle stood in our way, the girls rose up and took it on with persistence and excitement. Although we didn't get the result we wanted at Islands, it showed how much every girl on the team cared about each and every teammate and the sport of volleyball. The entire team fought hard and we made new friends along the way.

This season's edition to the Junior B Volleyball team recognizes 12 young, strong women who were mostly new to Brentwood. Every individual on the team bonded incredibly well with one another, making the season a fun and a memorable opportunity. Each girl grew and became more and more confident every time she stepped foot on the court.

During this season our team had the opportunity to play against stiff competition as we were invited to play in the Junior A league and tournaments. We played to our ability and dominated in most games. From the games we lost, we learned, making the team and every girl that much stronger. We played many games against schools and clubs across Vancouver Island experiencing volleyball around BC.

**Makenzie Pariseau, Hope '20**

Being Captain of the Junior B Volleyball team was a learning experience. I was able to get close with each girl, coming to understand every girl's abilities. Being a leader isn't the easiest thing. It was tough to speak up, at times, or support the girls when we wouldn't succeed through a game, but that's what made this team so special. Every girl supported one another, which was amazing to see.

I am honoured that I had the chance to be Captain. I didn't know the girls looked up to me the way they did so I want to say thank you for this opportunity and I'll miss this team as I move on through my next few years of Brentwood.

# Cross Country

*(back row)* Kara Labelle, Ayden Assaly, Will Hardy, Cale Ward & Anna Moreira *(middle row)* Mr Skardal, Megan Adams, Isaac Keen, Nathan Pasloske, Finn Bailey, Kieran Nelson, Evan Donegani, Carter Krasny & Mrs Reynolds *(front row)* Derek Harrison, Thomas Willemyns, Morgan Woodbridge, Virginia Waddell, Jean-Louw Malherbe, Sydney Cristall, Blanca Grobbelaar, Sam Prokopchuk & Anthony Burkinshaw *(absent)* Jamal Hassan, Ori Blake-Currier, Bob Bryden, Sunil Cotterill, Grant Dillard, Ian Grabher, Keaton Heisterman, Madison Heisterman, Hugh Rimmer & Eva Shumiatcher.

It has been an incredible few months for the team filled with unbelievable achievements, grit & joy. The highlights of this year's Cross Country season featured both the speed squad & the rest of the team. For the speed squad, the Heisterman siblings had outstanding success: Madison qualified for the provincials & nationals ending her high school career coming 22nd in Canada. Keaton qualified for provincials & highlighted his Grade 10 season with a second place in BC. Ori Blake-Currier, Carter Krasny & Hugh Rimmer also qualified as individuals for provincials as did the Senior & Junior boys teams.

As for grit, each one of our athletes showed unbelievable improvement. From being drenched by the rain, to becoming covered in brown, slimy mud or becoming tangled in roots along the trails, our team has gone through it all showing determination each practice.

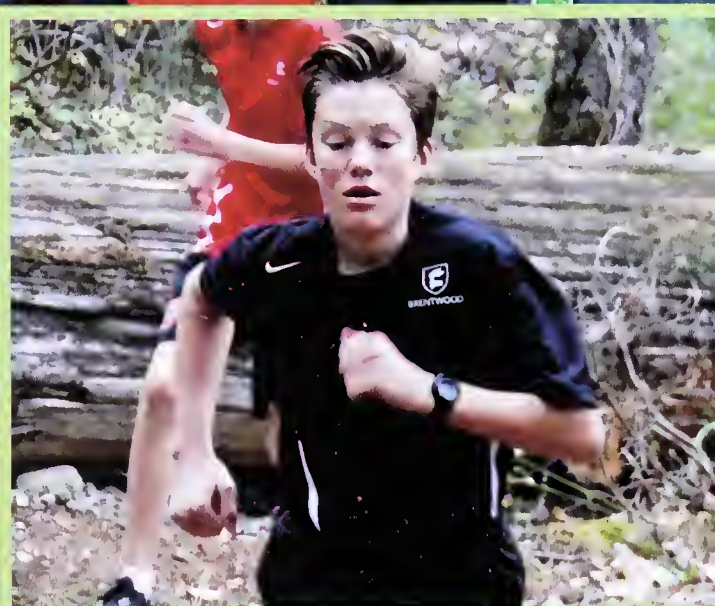

On the first Saturday of the year, we performed a time trial which we then beat at the end of each term. All of our runners showed improvement on their speed, strategy & technique. For instance, Kieran Nelson has exhibited grit by continuing to push himself to his limits each race & practice and Megan Adams demonstrated remarkable improvement when she cut a minute from her time trial time. For joy this year, the team went on weekly destination runs such as Mount Tzouhalem & Thetis Lake.

The team will be sad to bid farewell to of our seniors who demonstrated tremendous efforts & passion for the program. As well, thanks to the amazing coaches who drive this program to what it has become: Mrs Day Reynolds, Mr Skardal & Mr Heisterman. The team would not be where they are today if it weren't for the coaches.

To many more kilometers on the trail.

# BEAT

The Brentwood Environmental Action Team's motivation for this year's theme, Actions on Agenda 2030, was put in place by the desire by the United Nations to achieve 17 Sustainable Development Goals by 2030. A vision in this action plan by the United Nations "aims to end poverty, promote prosperity and people's well-being while protecting the environment by 2030". Over the course of the year, all of the actions of the BEAT and our school community have been directed at educating and taking action on these 17 goals. Whether it be through bulletin board displays, monthly meetings, announcements in the boarding houses, students speaking at assemblies, or lessons in the 21st Century Studies classes, the goal was to bring awareness and take action on these goals.

Students were successful in raising awareness about hunger by making soup for a school in the local community or investigating salmon conservation by volunteering with a local effort to capture and transfer salmon to waters upstream in our local area. Many of The BEAT's other actions included 5 minute cleanups or educating our community about effective

waste streaming; we reduced our overall trash consumption by 75% and our compost by 15% during our waste reduction campaign. The BEAT hopes that with this year's theme, Actions on Agenda 2030, we have increased awareness about these issues and encouraged global stewardship as well as acknowledging to our school family that small actions within a community will make a difference.

Coming off an AA Provincial Championship in March 2017 and retaining most of our championship roster, expectations were high for the 2017-2018 season. Our start in the fall was the usual struggle as team members were parts of other competitive teams and gym time was difficult to come by during the volleyball season. When we were in the gym, it was clear we were not in good enough shape, which made working on sets challenging. As first term progressed, we got better and fitter in our limited time, garnering convincing wins over AAAA opponents, winning the Kodiak Klassic, and beating the #1-ranked AAAA Oak Bay Bays at the UVic Senior Boys Invitational Tournament to come away with a first place finish.

The beginning of 2018 was rough too. Though we won the Claremont Spartan Tournament and our Brentwood Classic, we did not perform as well as we would have hoped at key games in the Abby Snowball Classic and the Vancouver College Emerald Tournament due to physical maladies and some complacency. We used these losses, however, to

reignite our fire for the game, going undefeated at North Islands and Islands.

For the fourth year in a row for some of us, we were back at our "home court", the Langley Events Centre. At the Provincial Championships, the boys were simply dominant. The team outplayed and outworked every opponent, ultimately repeating as AA Provincial Champions, beating a talented King George Dragons roster in the final game.

Though we achieved great success over the past four years, I am most proud to have done so with such a talented, gritty, and great group of guys. I will forever cherish the moments we shared together in the bus, hotel, or games. Thank you for going on this journey with me, from being the worst player in Grade 9 to serving as your Captain. Last but not least, I would like to thank Mr Gage, Mr Sullivan, Richie, Laurel, and everyone who contributed to such a great season. Family on three!

# Senior Girls Basketball

**Mr Doman, Zjaya Doman, Natalie Broomfield, Glory Chima, Captain Megan Adams, Tochukwu Ayadiuno, Jetta Bilsky, Leila Mégevand & Emma Espinalt.**

While some of the girls began training in September, we all joined together in early November to build our skills as a team. We had a heavy practice schedule that got us into shape quickly to get ready for our first tournament at SMUS in Victoria. We showed huge potential by never giving up through shortages of players that we soon realized would be a common occurrence at our tournaments and games.

As we returned from winter break, we quickly got back into the swing of things with an away tournament in Port Coquitlam. We faced some strong teams and came away with one win for the weekend. Once again, we were low on legs but we continued to push ourselves and see glimpses of a team with promise.

With our Showcase game on the horizon, we persevered through our struggle with numbers and worked together as a team to build both our offensive and defensive skills. Although it was a close match, we couldn't pull away with the win against Shawnigan.

Our season came to an end with a play-in for the South Island Tournament. It was a intense game and unfortunately

we ended up losing by just one point. We were all filled with emotion, and I know we all ended the game knowing that our all was out on the court.

As this is my final year at Brentwood I want to say a thank you to the girls on this year's team for making my last year so memorable. I could not have hoped for a better group to play with in my Grade 12 year and to lead as Captain. I am sad to be leaving you all but I know you all have so much potential and I look forward to hearing about your season next year.

We would not have been able to grow and build our skills without the support of our coaches. A huge thank you to Mr Doman, Mr Blake and Ms Ostopovich for encouraging us through our highs and lows, as well as a thank you to Sam for keeping us healthy. We would not have made it through the season without all of your support, and we hope that we made you all proud at our efforts to be the hardest working team.

The 2017-18 season was a thorough year of development for the Junior A Boys Basketball team. At the start of the season, many of the boys were new to the team, and to the expectations of the Brentwood program. After several weeks of practice, we had come together, and our team grew more confident and adapted to each player's strengths. We managed to finish our league with a record of 6 wins and 2 losses, defeating Cowichan, Gulf Islands and Frances Kelsey, finishing second in our league and qualifying for the Island Championships. Highlights of our exhibition season were placing 3rd at our Brentwood Challenge Tournament, and a strong showing at the ISA championships.

The Island Championships are very difficult at the Junior level as we have to play against AAA and AAAAA schools from all over the Island. In our final game of the Island Championships we lost to Belmont Secondary by 9 points. Belmont went on to have a top four finish in the Provincials. Our young team has a bright future ahead of them and good luck to the grade 10s who will be joining our senior basketball team next year.

For the Junior Girls Basketball team, this was a year of tremendous development, not only regarding technical, soft skills and relationships between players and coaches, but for the reputation of the junior girls in the basketball program. The first day of tryouts, there was a turnout that completely exceeded the expectations of the coaches.

From the moment that nearly 30 players stepped into the gym to try out, we knew that our team was going to push the boundaries. Our players developed an extraordinary amount over the course of the season, likely as a result of the fact that we had twice the number of games than we had practices. We were able to flourish during the season, doing most of our learning in game situations.

With the help of the dedication of our coaches, Ms Mackenzie & Ms Tarrant, and the leadership of our Captains, Rae Wheaton and Desola Ogunlade, we toiled many days of the week,

whether in practices, conditioning, or games, and came out with results that I am certainly very proud of.

We won silver at the ISA tournament, jumping over many setbacks. Through that weekend, many of our players were injured, but we found a way to improvise and work as a unit to push through for this great result. Coming out of this season much stronger than we started, I am excited to imagine the contributions that my teammates and I can make to the girls' basketball program in the future. The Foote Centre will be our home next winter: it will give us a leg up on the competition.

(back row) Santiago Erding Fitznar, Ben O'Malley, Kai Young, Peter Quackenbush, Ben Zehner, Declan Sanders, Ankit Bakshi & Coach Jordan Warner (front row) Lucas Kulai, Henry Whittle, Rylan Ross & Quincy Oldland.

Junior A Boys Basketball is one thing; Junior B Boys Basketball is a whole other thing. Being on the B team builds friendships that will last forever. Our coach, Mr. Warner, told us "These friendships will last a lifetime. Just look around at these guys, they are like your brothers." I couldn't agree more. Our team was supportive and entertaining. We have a lot of what most people would call "jokers" - the guys who like to mess around and have fun - and that is one of the best parts of playing B basketball.

Mr. Warner is a very mellow guy who puts up with all of our problems. At the beginning of second term I thought, "It is going to take a long time to get to know all my teammates" but it took, tops, two weeks and now I can have a normal conversation with anyone on the team. I think this is more valuable than all the playing time and winning games combined - which we did a lot of.

We began league play with a convincing win over Brookes, followed by a narrow win over Francis Kelsey and another over Chemainus. A tightly contested defeat at Cowichan was

followed by an 8 point loss at home to DCS. In the league tournament, the team avenged their earlier loss to Cowichan by a score of 35-33, placing us in the league final against DCS. The tightly contested final saw Brentwood finish 2nd in the league, falling to DCS by a score of 30-33.

Following league play, an exhibition game against GP Vanier saw the team play improving basketball but fall just short, 51-54. The 8s and 9s on the team played a final exhibition tournament at DCS. In the tradition of the storied Brentwood vs SLS rivalry, SLS Grade 9 beat us 29-28 in a thrilling fourth quarter, setting up a third and final game against DCS. All the lessons of the season were evident in the boys' approach as we were finally able to defeat DCS, 45-26.

The B team this year was filled with veteran leadership, youthful energy, and a willingness to have fun while working hard. We would like to thank the team for an excellent season and give a special shout out to Coach Darcy Kulai for his help.

# Ice Hockey

Brentwood hockey enjoyed immense success in 2017-18. The program had over 60 athletes across four teams which all enjoyed triumphs during the season. This year included many exciting moments such as the Senior Boys undefeated league season. The team was “relentless” in the words of the coaching staff as they defeated all opponents outside of league play as well, steamrolling power houses such as Kitsilano & Prince of Wales during our trips to Vancouver.

The Senior Boys also captured the Saville Cup for the first time since it started in 2015. The victory came over longtime rival St. George's. Pushing on through until the end of February, all teams - one through four - played exceptionally, winning games & striking fear into the hearts of opponents. Finishing off the year at Ross Cup, the program answered the bell with class & hard work. The Seniors met a bittersweet end in the tournament's final game, losing to St. George's 2-1, but capturing the silver medal & a spot on Mr. Patel's wall. Perhaps the most impressive achievement of the Ross Cup was the introduction of the Female division. The most intriguing of the girls' teams was “Shawood” which was made

of both Brentwood & Shawnigan students. This fusion earned 3rd, which is quite impressive for a group that had never played together before. Our two boys' second teams were competitive at Ross Cup giving some of the tournament's top teams trouble, all while playing in the coveted Senior division.

The success of the program is attributed to two things. First, the culture in the program created an intense but nurturing group. Second, the word “relentless” was used all year to describe our program & the attitude each player possessed, showing up blatantly in our play. These two things can be summed up into one phrase uttered by Ileri Soyege, Whittall '18: “Coach, I will do whatever is best for this team.” The program has enjoyed a monumental year & would love to continue that success into the 2018-2019 season.

# Debate and Model UN

From the Acropolis to the Big Apple, and various locations here in Canada, Debate has truly shone this year. The club participated in numerous tournaments, all of which included outstanding performances and many victories.

A group of talented students travelled to Greece to participate in the World Scholars Cup Global Round. This highlighted their abilities to debate, creatively write, and gather general knowledge of trivia. Stand-out performances included that of Grant Dillard who claimed First Place in the whole tournament and Emma Mandziuk who was the highest scoring Brentwood student.

The club had a strong showing at the Golden Gnome tournament in Victoria and a group of top-performing students travelled to Yale to compete in the World Scholars Cup. Once again, Brentwood's debaters were excellent, including Sarah Labonte, first in debate, and Dylan Campbell. It was another wonderful trip with the debaters spending time in New York before the competition.

In November, Morgan Woodbridge and John Edson travelled

to Montreal to compete in the Oxford Cup and, in December, Liam Philipp and Marc Yoon were invited to compete in the BC Qualifiers for Team Canada. Later in the year, after some amazing regional results, three Brentwood teams qualified for provincials in Abbotsford where Jaylynn Barth and Sunil Cotterill qualified for Nationals.

On the Model United Nations front, the club had MUN days almost every week where we discussed a variety of global issues and topics, as well as the Vancouver Model United Nations and the ShawMUN, here on the Island, from which our delegates returned with many awards.

On top of performing a variety of speeches in class, students participated in a range of public speaking competitions, including various local competitions and the International Independent Schools Championships in Winnipeg, where Jaylynn and Emma brought home medals in the Impromptu Speaking and Dramatic Monologue categories.

The competitive season really started in September as the team came together. Some of us got the opportunity to play with the Cowichan Rugby Club during first term. In this club, because of low numbers, some players had to play in new positions; this helped us gain more experience and playing ability for later on in the season. During the rainy and cold days of second term we got the opportunity to improve in our fitness and skills. After this hardzous term, spring arrived and the team regained shape as it got back players who went off to play other sports during the colder months.

Finally back from spring break, the team was looking confident and strong going into our competitive season. We were even able to put two complete teams together. Sadly, we started the season on the wrong foot losing against Collingwood on our first game of the Stadium Series. After this, we didn't put our heads down; it was a learning experience to see where we stood and it made us realize what we needed to improve on. We then played in a tournament called Scrumfest where we played as a whole club by mixing up the teams. This gave

us the chance to improve as a club and gave the opportunity for the less experienced players to play with the more experienced ones helping them to improve their game. We went undefeated. Everything started to finally come together for the team.

Next we got to play SMUS, the reigning provincial champion, on our home field for Showcase and ended up defeating them 58-0. This brought the confidence up for the team and coaches. The same week, only one practice later, we played our second Stadium Series game against Rockridge. This game was very physical but we manage win 65-0. These two games helped us realize the things we can achieve when we play simple rugby. We've come a long way from the bottom to now placing #2 in the BC provincials rankings. The team is working hard every practice and getting ready for the Provincial Championship.

a year with a Grade 9, 10 & 11 laden team and only three  
 grade 12s in the squad, to say this has been a rebuilding year  
 an understatement in the extreme.

the challenge of learning how to compete in the highly  
 competitive Island and Provincial girls' rugby landscape takes  
 the, dedication and determination. The team this year has  
 ten courageously and patiently led by Chloe Pierce, an  
 excellent player and one who leads by example.

Our early season results exposed our lack of game experience  
 and we were on the receiving end of some lopsided scores  
 against more experienced teams. Losing games, however, is a  
 great teacher and the players responded during practice and  
 made steady progress. Two good wins over local rival Kelsey  
 and a highly competitive scrimmage against Vanier helped  
 the players understand the urgency and physical commitment  
 required to play at a high level. A close loss to Isfeld was a  
 massive improvement from our early season match against  
 them and the team started to believe that they could compete.

At the Island 7s Tournament, which we had the pleasure of  
 hosting, our team showed flashes of potential, but also learned  
 some invaluable lessons about how ruthless the abbreviated  
 game can be when a mistake is made. If we continue to  
 refine our skills, work hard in the weight room next year, and  
 improve our game management understanding, we will be a  
 competitive group over the next two seasons.

We now focus on preparing for the playoffs and working to  
 qualify for the Provincial Championships.

Marius Felix, Head Coach, Girls Rugby

Twenty two young men comprised the 2018 Brentwood Colts Rugby Team. They came in all shapes and sizes, and from all over. Some had storied reputations, others not so much. For our new players, we offered by way of initiation a sort of shock therapy: we would play a game on our second day. The game was chaotic and our boys were gun shy, though we saw raw ingredients: Torren Kaiser showed a mid-air sidestep which would, in subsequent games, freeze defenders in place as he swished past for countless tries; Callum Blake-Currier was big and bruising, who tackled with a back like the top of a table; and Quinn Poseley moved his big frame to maximum, punishing effect.

As the season rolled on, and we had good victories against Claremont, St George's, Nanaimo, and Belmont, the support pieces started falling into place. Jack Napier-Ganley settled into his role at fullback, and steered the ship capably from the back; Evan Lin showed tenacity at the breakdown; Jacob Zwaan developed a streak of aggression, especially with ball in hand;

and Jordan Dobson, visiting from South Africa, solidified our backline both on attack and defense.

By this point our games were coming thick and fast: a competitive match against touring Wimbledon College, a big win against Port Alberni, some sevens against Oak Bay, and a competitive game against Shawnigan. Soon, it was a fourth place finish at the BC Sevens, then a nail-biting 40-41 loss against SMUS. Through it all, the team started to gel. Kenton Laurion developed a knack for hitting his lineout jumpers and William McNeill honed his pass from the base. Hayden Kan learned how to tackle and Alex Scarrow showed footwork to scythe through any rumour of an opening. Ryangwon Kim, our smallest player, ended up being our toughest.

At time of writing, an upcoming rematch with SMUS determines who qualifies for the Provincial Championships. We are healthy, primed, and ready to go.

The girls' season had some drastic changes to it this spring. The group came together as more of a club than two individual teams. Although we do have a Junior Girls team and a Senior Girls team on paper, and they play in different leagues, the groups are very closely connected. The club consisted of 36 girls who were a combination of one Grade 8 student, seven Grade 12s and everything in between. We travelled to Vancouver and to Campbell River for tournaments this year as well as hosting the North Islands. At any one time there could have been seven junior girls playing up with the senior team. This bodes very well for the future.

But it wasn't all about the juniors; this group had Grade 12s who were very soccer keen and who all possessed abilities that are remarkable. The training standard and focus this season has been top notch. Every Grade 12 seemed to take a role at one time or the other and they complemented each other nicely. They all believed in the process and as the season came to an end they proved that they could compete with anyone on the Island.

The girls beat North #1 seed Brookes and Mid #2 seed Francis Kelsey but lost a very tight 1-0 game to Mid #1 seed Shawnigan. Our coaches would like to mention again how focused and motivated this group was to learn and grow. Often the result can get in the way of a team's growth, but this group of girls stuck together, stuck to the process, and had a very successful season. They set the bar high for future Brentwood teams: the Grade 12s left a great base for the future of the girls' soccer program at Brentwood.

The Junior Girls Soccer team's season sadly came to an end on May 1st. Right from the beginning, the girls worked hard. Having girls who were new to the sport and others who have played for many years, the team put their all into practice. Our humorously sceptical coach, Mr. Collis, was an accepting and patient teacher of the team while talking about "the mystic arts of feng shui", though he had different thoughts when he first saw his so-called "soccer team".

He announced, "When I first laid eyes upon this year's junior team, I thought, mournfully. This is the nadir of my athletic existence. Surely," he moaned, "this is Blake Gage's petty way of taking revenge. I cannot make bricks without straw, damn it!" Coach Collis continued. "I am not one to give up", so he took the challenge. "The rogue's gallery of players I was expected to turn into a team were beyond the pale. Janey? Incurable. Quin? Heathen. Jessica? Destined for prison. Sasha runs like an anaesthetized deer on ice skates. Grace? Don't even talk to me about Grace. It can't be done."

The girls battled through the pouring rain and scorching hot days for the love of the sport. The season started off with a win against Shawnigan Lake School, 1-0, then we attacked our next challenge, Gulf Islands Secondary School, winning 5-0. The team had a tough loss to Kelsey Secondary 6-1, but that didn't stop us from competing in the ISAs and winning three out of four of the games.

In the final game of the season, Brentwood lost a heartbreaking 1-0 decision to Kelsey, placing us second in our league. This was a huge accomplishment for the team. We not only bonded on the field but off the field too, making new friendships. As coach Collis said "It is always darkest before the dawn". We have seen the light.

# Senior Rowing

The senior rowing program at Brentwood has always been a highly competitive team and this year has been no different.

The senior men had a solid base of returning rowers from last season with some newcomers in the mix. The senior women's team, however, focused on catching novices up in order to fill boats and create a competitive team. Both crews were excited for the upcoming year with the prospect of a promising season under the guidance of our new Head of Rowing, Mrs Biesenthal, an Olympic athlete and coach, who has limitless knowledge about the sport and continues to deal with the senior boys' questionable humor.

After some time on the water in the fall, the rowers moved indoors to the grueling land training that winter brings. We all competed in a few indoor rowing events, such as RADAR, Ergfest, and Monster Erg, where our hard work paid off with solid results.

The competitive spring season began at Elk Lake, the first regatta for many novices and a trip down memory lane for the veterans. The pair and double were both won for the first time

in 11 years, an impressive feat, by the boys. Come May, we had our spring training camp at Shawnigan, where we enjoyed great water and not-so-great food.

There were a few more races that gave us an opportunity to practice, but all eyes were set on Brentwood Regatta. It was a great success, the highlight being the men's club 8+, where we won the event for the first time in 11 years. With both women and men's crews qualifying for Opening Day, we began to feel the itch to race at Nationals in June. However, there is still work to be done before then, and we are hoping to find more speed during morning practices and at the Shawnigan Lake Regatta.

None of this could have been achieved without our outstanding coaches and endless support. A special thanks to Mrs Biesenthal who guided us, Mrs Sage who kept everything in order, and our outstanding boatman, Mr Warren Featherstone.

# Junior Rowing

Rowing is truly one of the most special programs at Brentwood. These past nine months with the junior program have gone by so quickly, with many amazing memories created while pushing through those last 500 meters of the race, finding out your crew is going to nationals, and the many beautiful mornings we spend out on the water. Having to wake up and find the motivation to row every other morning is something that not everyone has.

Everyone in the program is determined and motivated, working hard to make the boats the best they can be. When we wake up and put all our efforts into the boats, it makes us dependant on each other: we know that everyone in the program is much more than just a teammate. Once our practices are over, we all look forward to taking up a full, long table in Crooks. It's nice knowing that everyone at that table can relate to what you're going through, whether it's the lack of sleep you're getting or the blisters that take up most of our hands. When you know that the past nine months have

all been working for this race, you push your hardest, you use that last bit of energy you can scrape from the bottom of your physical capacity and you push aside the pain, because you cannot let down your rowing family. During the race the coxswain is yelling and everyone's legs are burning but we don't give up, because our coaches are shouting from the docks and everyone else in your boat is depending on you. Then, when you finally cross the finish line with limp limbs and red faces, you know that you did your best.

Rowing at Brentwood gives kids a place to come together as a team every day. The coaches are our motivation, because they put so much work into our progress and the program itself. That is what it means to be a Brentwood rower. That is what it means to be a part of the rowing family.

## Senior Tennis Serving It Right

Many of the Senior Tennis players started training for the third term season at the indoor courts during the second term. They put in many training hours in the bubble while the rain pounded outside. When it was time to move outdoors, the training was increased with players coming on their free arts blocks as well to hone their skills. The players were also able to get some quality training time and match play with alumni Nick McLean and Chris Chan.

The team played league games against Shawnigan and St. Michaels, showing good improvement with every match, as partners became more familiar with each other. At the Independent Schools Association tournament in Vancouver, the boys and girls teams both placed 3rd. This was a good result for the team with a large number of competitors from both

the Island and the Lower Mainland participating. Throughout the year, the team has hosted two major tournaments, the Fall Classic and the Spring Invitational, with teams coming from the Island and Vancouver to compete. These tournaments have been excellent practice and training for the doubles teams as players learn to work together. Another highlight of the tournaments is always the barbeque which prepares burgers - and assorted variations of grilled cheese sandwiches - for players and fans alike.

At the end of May, the team played its best tennis of the year at the Vancouver Island Tournament, securing a berth to the 2018 High School Provincial Tournament held in Vancouver on May 24-26.

## Junior Tennis Players on Winning Track

The season started with a strong group of 8 junior boys and 9 junior girls who were interested in competing on the Junior Tennis teams for Brentwood. Many of the juniors have been practicing with the seniors to improve their skills. Throughout the year they have participated in the Fall Classic Tennis Tournament and the Spring Invitational which has permitted them to play with various partners and become more familiar with each other. At the Independent School Association Tournament the girls played strongly finishing 2nd, only losing to a strong Crofton team. The boys played well and finished fifth against a strong field.

The second major tournament of the season was the Junior High Provincial Tennis Tournament with two junior girls and two boys junior boys teams entered. The #1 boys team competed

well finishing fifth after losing a close match in the quarterfinals to the eventual silver medallist. The #2 boys team finished 9th. The #1 junior girls team saved their best tennis for this tournament and finished a strong 4th. The #2 junior girls team also played very well and finished 8th.

We look forward to a number of players moving up to senior next year as well as a strong nucleus who have another year of junior eligibility.

We would like to thank Mr Art Hobbs, Ms Tiara Hobbs, and Mrs McLean for all their hard work and a fun season.

# Grade Eight

The Grade 8 program is in its 4th year and remains a big part of Brentwood. Experiential learning is at the heart of the program, and we embraced this concept from day one. The start of the year had us setting sail on a four-day SALTS trip. Students had the opportunity to learn what it takes to run a tall ship, from hoisting sails, to launching dories, navigating during the day and maintaining watch at night.

Once we made it back to shore, we launched straight into the Fall Term. The 8s taught the community about various cultures during their Night of the Notables event, explored the depths of the Horne Lake Caves, and showed off their Broadway skills in a production of Lion King Jr.

The Winter term brought colder, darker days, but there was no time to feel glum. Destination Imagination was our focus, with engineering and improv teams competing on the Mainland with other schools across BC. Students learned the importance of being safe in the digital world at the SMUS leadership conference, and built relationships (and bracelets) with our little buddies at Alexander Elementary.

Spring Term brought sunshine and a plethora of outdoor

experiences, including boat holding at Regatta, climbing the WildPlay canopies, and a biking & camping trip to Skutz Falls. Additionally, students learned important life skills including vehicle maintenance, laundry, and cooking.

With all these events and activities, it seems impossible that we managed to do any school work at all. But we did, and students learned the importance of time management, organization, self-advocacy, assessment preparation, mindfulness, and being positive members of the community.

Not wanting to miss anything Brentwood had to offer, the 8s also enthusiastically embraced the arts and sports of the school playing important roles in rugby, soccer, volleyball, ice hockey, basketball, choir, and Debate & Model UN, among others.

A HUGE thank you to the teaching and support staff who dedicated their time to the growth of these young people. The biggest thanks go to the students for making this another fabulous year.

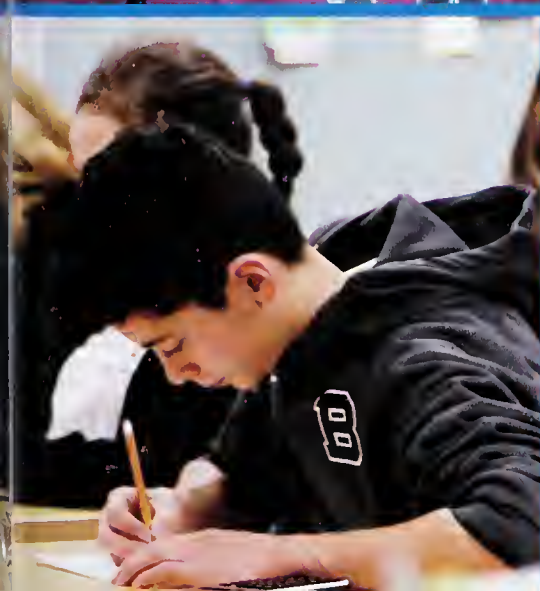

Ms Amanda Ramundi

# Alex House

September brought over 20 new faces into our home as the returning girls enthusiastically and lovingly helped them adapt to the busy Brentwood life and sisterhood that is Alex House. Quickly, the house environment became full of energy and giggles.

As always, the girls took part in many traditions. These included multiple events with our brother house, Whittall. We bowled, skated, ate sundaes, and had hangouts in their common room. Within Alex, the Grade 12s hosted in-house breakfasts, Big Little Sisters, our 'Space Jam' Open House, and the very popular Polar Bear Swim. Stepping up to leadership, the Grade 11s organized an entertaining evening for the house: a fashion show starring the Grade 12 girls.

Between having to settle boisterous gatherings in the kitchen and chasing girls around to do their house jobs, our wonderful duty staff always carried out their roles with smiles and a few bad jokes (especially in Mr Warner's case). Thank you to Mr Warner, Ms MacInnis, Ms Ramundi, Ms Richardson, Ms Phillips, and Mrs Whitney for being positive and encouraging members of our community.

Our assistant Houseparent, Mrs Warner, is truly extraordinary. Her two adorable and energetic children, Finley and Sullivan, are just one half of the families she takes care of (the other being 50 teenage girls). Her patience and kindness are inspiring.

Our lovely Houseparent, Maisy, is, without a doubt, our rock. She teaches us to be respectable ladies while nurturing and loving us wholeheartedly. With her 25th year as a houseparent under her perfectly colour-coordinated belt, she is enthusiastic to continue supporting the Alex girls for a while longer.

Grade 9s: Have fun! Make as many memories as you can.

Grade 10s: Take time to focus; studies get a lot more difficult as a senior.

Grade 11s: Don't take anything for granted, the year goes by quickly. You're in charge now, but remember to still have fun.

Grade 12s: Good luck wherever your journey takes you.

Love, Aidan Martin, *Alex House Captain*

# Allard House

Another year has flown by. A bittersweet feeling sits with all of us as we look back on what's happened this year. With both tons of new faces, and a new Assistant Houseparent, Mr Smith (ex-Privett dutymaster and math genius) we knew we were in for a treat. Adapting to the mermaid lifestyle is not an easy task, but after only a few days, all our new girls were settled in their new home.

For anyone on the outside, it is hard to know what it's really like to live in Allard. From capturing the smallest Privett boy, Tim's runs during prep, in-house breakfasts, Gwynn Groups, waffle parties, and waking up the entire school on the last day, there is never a dull moment. Whether its repping teal and orange at interhouse, or performing a beautiful rendition of Africa at acapella, every moment brings us closer together as a house.

Allard wouldn't be the way it is without the love and support of the duty staff. To Mr Carr, Mrs Reynolds, Ms Olszewski, and Ms Fougner, thank you for keeping all of us on top of our studies week after week. Our amazing RFA Ms Ostopovich and senior

RFA Ms Tarrant and their dogs, Boris and Henry, were another lovely addition to the house. A special thank you to Mr Smith, for motivating us and urging us to find the beauty of math. And to Mrs Carr, our wonderful houseparent. Thank you for your guidance and endless support. Your dedication and love for each of us is evident: it keeps the house going.

Grade 9s, you each radiate positivity and free spiritedness. Keep a piece of that with you as you move forward. Grade 10s as you transition into the senior school be sure to stay on top of studies, but don't forget to enjoy yourself. Grade 11s, you will be the new leaders of the house: stick together and support each other. Cherish your final year of high school. And to the Grade 12s, whether you've been here for a year or you are a lifer, this chapter has come to a close. I wish you all the best in your next adventures.

# Ellis House

Although only a short time has passed, our Ellis boys, alongside our houseparents and duty staff, have grown from a group of strangers into a family. The year began with entertaining orientation festivities: speed dating with Mackenzie & evening soccer. We competed tenaciously at the first interhouse competition of the year, Fun & Games, and had incredible success in other events as well; our preeminent being Eco-challenge, Airband, athletics & effort ratings.

Once classes began & we settled into our routines, the true characters of the boys appeared. Our junior hallway, accompanied by the shrills of Bob & a curious McCoy, certainly kept Mr Sullivan & Mr Wismer on high alert. The wide range of traits, from Erik's adorable smile to Mathieu's dry sense of humor & the regular tussles between Liam & Jacob, keep Ellis interesting. We will always remember the elegant laundry dances from Francis & Evan, Big Bros Nights, & TTTWDIEHTWDTA.

Our house parents & duty staff are perhaps the most important people in Ellis as they set the atmosphere with their kindness & ability to keep us all in line. We are graced with Mr Cowie's

iconic jokes, Mr Skardal's entertaining conversations, Mr McCarthy's intelligent company, Mr Luna's calming voice, Mr D'Orazio's connections, Mr Wismer's wild Saturday nights, & Mr Sullivan's love for us all.

Regretably, Ellis will be saying goodbye to Mr Sullivan as our Houseparent next year, a position he has embraced for the past 8 years. We will always remember his humorous & benevolent personality, as well as his loving mentorship. The service & impact that he has had on our students is immeasurable & will live on with the spirit of Ellis. Mr Wismer will be stepping up to take his place. After 8 years as the Ellis Assistant Houseparent, I think he's ready for the challenge

As June is quickly approaching, Ellis remembers a year of unforgettable memories & life-long friendships. Getting to know each of the boys & watching us grow together is something I will never forget. If I had the chance, I would do it all again.

# Mackenzie House

Another year full of laughter, tears (both happy and sad), and memories has rushed by. 24 new smiling faces joined us in September, and were welcomed with open arms by the returning students to our Mack House family. Without skipping a beat, the new and the old were fully immersed in traditions such as the returning BBQ (where our Mack-fams were all together for the first time and the new members were introduced to our house song - I Won't Give Up), in-house breakfasts, ice cream and bowling with Ellis, our "high school stereotypes" themed open house in December, and our famous Mack Skate.

Our Mack-babies (Grade 9s) soon became a tightly knit group who have grown so much over the past 10 months. The Grade 10s doubled in numbers, made the entire house buzz with energy, and filled the hallways with laughter. The Grade 11s have entered their first year as senior students and have tackled the new experience with enthusiasm - while preparing to take over as Mack leaders in 2018-2019. And finally, I must mention and thank the 23 prefects who help make this house

so amazing and help run things so smoothly. We will always be a part of Mack House, just as Mack will always be a part of us.

A huge thank you to our duty staff - without you the house would feel empty. Thank you to Ms Scheck, Ms Mannion, and Ms Lawrence for keeping the house under control during prep. Thank you also to Laurel and Mrs Luna for keeping us in line and helping us during advisors. And a big thank you to our RFA - Ms Hampshire. We're sorry for all the noise and banging that you had to put up with on third floor (JP).

Mackenzie House, is, in fact, not a house at all. It is a home. A home to 70 smiling faces, three dogs (both big and small), two boys, one tea-loving Neil, one rarely sighted Mr Coy, one wise and loving Ms Gillian Coy, and one Ms Sue Cheung, whom we owe our greatest debt of gratitude to - for loving us regardless, and for leaving a mark in every single one of our hearts.

*Andrea Maritz, House Captain*

## Sisters For Life

(top row) Mackenzie girls are happy to be at Eco-Challenge; Erin Berry-Dillen & Glory Chima, gracious at Canadian Thanksgiving Dinner; Sarah Richards, Hayley Fear & Bridget Madigan show their Mack House pride at Interhouse (next row) Mazie MacCosham & Victoria Dolgova dress up for Halloween; Keeva O'Brien, Deanna Cvitanovich & Chaya Napier at Mack House Dinner (third row) the Grade 9s with Ms Scheck; Michaela Yatauro, Julia Brockley, Kara Labelle & Kaeley Avery relax; Veronica Chrenek & Krystin Skorey (bottom row) Jacqueline Holmes, Charlotte Higgins, Amber Gaskill, Virginia Waddell & Glory Chima at Run For the Cure; Arianna Avalos; Fabiana Gutierrez & Megan McCartney chowing down on cotton candy.

# Hope House

2017-18 was magical: we sailed through ups & downs, conflict & laughter. In the process of building life-long friendships, we learned to reflect, communicate & compromise. We learned to love & how to express our love.

In September, we opened our arms to 27 new students. Although Orientation was hectic, girls immersed themselves in the inclusive, caring Hope culture. Fun & Games, & the rest of the year's Interhouse events, allowed new students to experience thrilling competition & develop a sense of pride in and belonging to Hope.

As the days grew darker & rainier, we cuddled in the common rooms & watched movies. Romantic comedies were popular. Envious of the romance on screen, we screamed when young actors 'accidentally' revealed their six-packs. With workloads piling on top of us, we whined, stressed and regretted. We shared our stupidity & laughter with one another, and cheered and supported each other. Being together is the best stress-coping strategy we could have.

Accompanied by jingle bells, we welcomed Winter Break. Girls

panicked to pack & clean for the Epic #1. In Hope tradition, we celebrated the end of a wonderful Fall with a party at Birds Eye Cove. Genuinely grateful sentiments were delivered to our advisors and Secret Santas were revealed, our intense curiosity relieved.

In March, we welcomed the birth of Margot Teresa Amiel, an angel who arrived with all our blessings. We surprised Mrs Amiel with a simple, cozy baby shower filled with balloons and cupcakes, and her appreciation made all of the efforts worthwhile.

Time flies in the blink of an eye. Sitting at the bonfire and shedding my tears, I realize that this year has come to an end. Prefects serve the house with passion and enthusiasm, and have no doubt that the service-oriented nature of Hope will continue to be cultivated by future house leaders. As a House Captain, I feel love and pride for members of Hope; these girls have helped me to be proud of my true self.

# Privett House

At the start of the year Mr Patel told the Grade 12s that this school year would go by in a flash; he was absolutely right. It feels like only yesterday that new students arrived on campus, walking wide-eyed into Privett. Yet in this deceptively short amount of time, the boys - no, men - of Privett have banded together in a way no one thought possible.

Despite receiving a large measure of new blood, it did not take long for the boys of Privett to start thriving. Privett proved to have a very diverse group of boys, ranging from the uber intelligent Derek Harrison & Ankit Bakshi to the extremely athletic Callum Blake-Currier & Jude Pachiorka. Of even greater significance was the development of the Grade 11s; once seen as unfit to rule, they made tremendous strides towards being next year's prefects.

Over the course of the year, many things changed; classes got more demanding, the weather got ugly, and unfortunately, certain of our house family left the school. Despite all this, one thing remained constant in Privett: our sense of family. Our house is built on three pillars: Trust, Pride, and Brotherhood.

It was those virtues, instilled in every boy, that got us through the tough times.

While being House Captain was not an easy job, I was not alone. I'd like to thank the prefects, duty staff (Mr Ganley, Mr Branchflower, Mr Burton, Mrs Luna & RFAs Mr Barrett & Ms Bell), and of course, Houseparents Mr Neufeld and Mr Doehler, who made the daunting task of running a house manageable.

Since Grade 9, I have walked these Halls of Blue, making memories daily. I've seen grad classes go, children (and pets) grow, and strangers become a family. These past four years at Brentwood have been the best of my life, and I have my time in Privett to thank for a lot of that. From every interhouse event to every Big Bros session, Privett has made me into the man I am today, and for that, I am eternally grateful.

Finally, to all my brothers, no matter where life takes you, always Bleed Blue!

# Rogers House

For the Grade 12s of Rogers, our year has come to an end. June was our last month of walking through these doors as students - now we leave as Alumni. No more trips to the galley late at night, no more walking on the original 70s patterned carpet, or seeing our beloved Roger's boys all in one place.

During the three years I have been here, we have lost many iconic faces: Louis Barry, Ferdinand Schultz, Antonio Caraza. Though I never want to forget these boys, I feel our best batch of kids came in our final year. Since Orientation, Rogers House has been filled with joyful, charming, and enthusiastic kids, each one different from the next. Everyone is so lively in the house from cooking, watching sports gathered around the common room, or gaming & pool down below. Boys have formed bonds that go beyond friendship and have become part of the Roger's family. They've stood together through thick and thin helping each other through many tough decisions and issues. The best advice, however, have definitely come from our Duty Staff.

They were our guardians and protectors: whenever we are in need they were there. Mr Armitage, Mr Griffiths, Mr Langer, and, occasionally, Mrs Whitney were the recurring faces that blessed these halls on our duty night and helped build a work ethic in our students. Mr Prokopchuk and Ms Thompson became insightful and full time members of the house and I'm sure all the boys are thankful. The Rulers of Rogers House, Mr Thompson and Mr Snow, have led us through dark times when the house lost its grip, and somehow they have maintained its integrity. With the passage of time, students come and go, but the Duty Staff who stay and keep the culture of the house alive define what we will become.

Values are passed down in Rogers House stating what it means to be a Rogers Boy: Kindness, Honour, and Brotherhood. Our boys have upheld the Roger's legacy for another year and don't show sign of losing it.

# Whittall House

Honor, perseverance, integrity, and respect, are the four pillars on which Whittall House and the boys who call it home stand. Each year, our Whittall family grows, not only in size, but also in depth, as new relationships are made. Each new Brentwood student is assigned a house. Living in Whittall, however, is more than a simple affiliation; it is a birth into a new family. Not everyone can adjust to our family easily, the Grade 9s especially. They entered Whittall without much confidence, their eyes wide open. Throughout their orientation, they started to integrate themselves into the house and became more comfortable with their new brothers. The boys mostly spent their days learning cool tricks in their rooms and never getting to bed on time. The Grade 10s were better, although they too had their moments..Further along the road to graduation, the Grade 10s often handled themselves well, only sometimes needing to be brought a warm glass of milk before we tucked them into bed. The Grade 11s are an influential group of friends who will be running and leading Whittall in the year to come. They have come a long way from where they started. Through room changes, to bonding at the Whittall-

Alex skate, the boys have learned many skills which will assist with the leadership roles they will have next year. Finally, the Grade 12 class: we are a tightly-knit group who have been together through it all. Referring to us as housemates does no justice to our bonds which will outlast the time we had here. We spent our senior year knowing that it would too soon come to an end, so we spent every minute together as a family. Whittall had an outstanding year, and as a group, we have relationships that will never die. For these reasons and so many more, the term "going back to school" has, for me, evolved into simply, "going home."

Mountain *(below right)* In Provincial 7s action, the lads earned BC Bronze by defeating Oak Bay.

# Girls Provincial Rugby

Never letting up on the field, every girl played incredibly well at provincials & we were lucky to have six hard-working players from Nelson join us. It was inspiring to watch the confidence rise in every player. Focused on personal improvement, we played three grueling games against excellent teams. Thinking back to where we started & looking at where we have come is inspiring. Every girl brought incredible talents, attitude & determination to every game, scrumage, & most importantly, practice.

Rugby is a place for all to feel welcome. This year I got to watch the team become a family, filling our bus rides at provincials with music & laughter. I could not be more proud to have been able to play alongside every girl who wore our jersey. Constantly battling on, we demonstrated what grit & joy meant to us, no matter what the outcome was. Whether a teammate was on the field or off, it was easy to see her passion. Victory came during our last game as we left the season with a win & some too-tight hugs.

Chloë Pierce, Hope '18, Captain

# Provincial Tennis

(back row) Samuel Segovia, Leila Megevand, Tochukwu Ayadiuno, Mathias Delage, Jonathan Gunawan, Nick Pitaksith, Evan Hoy, Long Le & Elisa Garcia Swiderek (front row) Yuma Kuga, Charlotte Chang, Mariia Shapovalova, Mariko Lee, Nick Prachuabmoh & Will Hardy.

The Senior Tennis Team, with a number of junior players, started the season with the goal of qualifying for the provincial tournament. The group practiced hard throughout second and third term peaking for the AA Islands. Despite losing a close early match to eventual champions St. Michaels, the team rallied to defeat Shawnigan in a challenge match to qualify the team as the #2 seed from the Island for the BC's.

At provincials, the team played consistently to place 1st in their pool and qualify for the quarterfinals. In the quarterfinals, they were defeated by a hot team and eventual third place finishers from the Okanagan. We continued to play well, however, gaining valuable match and tournament experience, and returned home tired but full of determination to improve for next year.

Happening at the same time on the Brentwood courts was the Angus/Porter Cup to crown the best Brentwood Senior Boy, Senior Girl, Junior Girl & Junior Boy. The singles competition continued throughout the month of May and into June

culminating at the wrap-up BBQ and finals day.

Eventually, the winners were crowned: Pedro Pinson defeated Nick Prachuabmoh, Tochukwu Ayadiuno edged Leila Megevand, Mathias Delage pipped Quincy Oldland and Mariko Lee won out over Elisa Garcia Swiderek.

An all-time high number of students participated in tennis this year, with many only beginning to learn the game, some preparing themselves for the Country Club, and others practicing hard to compete for the school. Tennis is known as a sport of a lifetime and the students at Brentwood are well on their way. There have been lots of smiles, new friends made, laughs, and good memories on the tennis courts this year. Thank you to all the coaches: Mrs Marci McLean, Ms Tiara Hobbs, Mr Art Hobbs, Mrs Susan Quinton, and Mr Brendan Patel.
